User Growth Hits a New High

Monthly active users crossed **21,300 in June**, up 72% since January. The growth team credits the new self-serve onboarding flow and the template gallery launch.

Shout-outs

- Kudos to the infra team for a zero-downtime database migration.
- Welcome aboard: 4 new engineers joined the rendering squad this month.
- Reminder: submit summer offsite topic proposals by July 25.

Upcoming

Date	Event
Aug 3	v0.7 feature freeze
